

Small Business Web Site Package

This package is intended for the small business on a budget. Every business today needs a presence on the Web. Potential clients are more apt to search the Internet for your products or services than they are to use the yellow pages or respond to a print add.

Here is what we have to offer:

Web Design - \$750 (one-time fee)

- Includes 3 Web pages (example: Home, About Us or Our Services, Contact Us)
- We offer a template design that have been created for their clean, professional look as well as their expandability
- Choose your color scheme at <http://colorblender.com> or provide a sample site with colors you prefer
- Two pictures on home page and one per inner page (client provided or stock photo)
- Additional pages \$150 per page
- Any services or options not included will be quoted based on hourly rate \$75/hr

Web Hosting - \$10/month

- Domain-name registration - 1st year free, \$10 thereafter
- Email services included – yourname@yourcompany.com. Unlimited email addresses included.
- Additional services at \$5/month each – blog, photo gallery, online calendar, and many more.

Please note: Copywriting is an additional service provided - \$100 per page. Should you require a feature not listed above, please let us know and we will be happy to quote you on your individual requirements.

Above rates valid as of 01/01/2013 and are subject to change without notice.
